IF DURING THIS VERY TEMPORARY LEASE FIRE AGREEMENT, YOU DESIRE TO ARRANGE PURCHASE OF SEVERAL MILITARY AIRCRAFT OF THE TYPE AND SIZE SUITABLE FOR PRESENT OPERATIONS IN YOUR COUNTRY, I WOULD BE GLAD TO DISCUSS TERMS WITH YOU PERSONALLY.

IMMEDIATE FLIGHT DELIVERY CAN BE ARRANGED DIRECTLY TO ANY AIRPORT EXCEPT LA ANTONIA, AND HIGHLY COMPETENT FLIGHT PERSONNEL ARE AVAILABLE TO REMAIN WITH THE AIRCRAFT AND TO ENGAGE IN MILITARY OPERATIONS.

NEGOTIATING AND ARRANGEMENTS OR DISCUSSIONS WILL HAVE TO BE ON A VERY PERSONAL AND DISCREET BASIS - AS MY ACTIVITIES ARE UNDER HEAVY SCRUTINY BY BOTH THE U.S. DEPT. OF STATE AND MEXICAN AUTHORITIES AND I DO NOT WISH ANY ADDITIONAL TROUBLE FROM EITHER GROUP.

THE AIRCRAFT AND SOME OTHER MATERIAL BEING USED BY COLONEL CASTILLO ARANA AND HIS MEN, WERE SUPPLIED BY ME, AND MY ACTIVITIES IN THE ARMS BUSINESS ARE WELL KNOWN, THEREFORE YOU NEED HAVE NO DOUBTS AS TO MY ABILITY TO DELIVER WHATEVER IS OFFERED.

PERHAPS YOU MAY THINK IT IS TOO LATE NOW THAT THIS IS A TEMPORARY TRUCE, BUT I CAN ASSURE YOU THAT COLONEL CASTILLO ARANA AND HIS MEN ARE EFFECTING SILENTLY AS WE WILL ACCEPT NO COMPROMISING ARRANGEMENTS.

UNITED STATES LINES

SS AMERICA

TO THE AMBASSADOR:

The present government at Jose Figueiras in Costa Rica is short of the government in my revolutionary army. An invasion somewhat similar to the one made by the Costa Rican Army in 1948 was made in 1949. A large scale movement will be made in 1950. The present government has announced it is in a state of preparation and planning.

If your government would be willing to in making a visit to and unofficial representation in the Junta this will govern Costa Rica, it can be arranged. I am in need of immediate financial assistance which is required for the purchase of essential equipment.

This offer is made from mercenary motives only. I do not because I desire to and your cause is political. I have a considerable amount of time, money and arms invested in this project, and am in a position to control the leading elements of the revolutionary group and to maintain that control after their seizure of the government.

If you desire to discuss this with me personally and in full detail, I am available. At your convenience, subject to the provisions outlined further herein. Due to current military situation with revolutionary groups in this hemisphere, and a reputation for arms smuggling, the Department of State in my country (USA) and authorities of several other governments, have taken serious interest in my activities and my whereabouts. Therefore it is necessary for me to use discretion in my movements. And I do not wish to come to your Embassy during my time, since the local FBI agents are presently looking for me in the area.

I regret my inability to contribute my plans and ideas in Managua, but after your prompt action with your Ambassador in Managua to solve my travel problem. However, to you have no doubt been informed, I have been detained by means of the intervention of the Managua Police on some presumptions regarding my activities. But after being well informed and made known to the Managua Police, they have been able to obtain their considerable attention and I have been able to leave the country without any further delay. I have, needless to say, worn out my welcome in Managua, as they are furious. I have to get away from them - I have to get away from my inability to arrive in Managua - I was so engaged on the way to the airport to make the flight to Managua.

The matters which I desire to discuss personally with you involve several items. Among the most important are my plans and ideas for the movement against you (financially) and the matter of the 1000 pesos - who was on the matter of the 1000 pesos. I have been detained by means of the intervention of the Managua Police on some presumptions regarding my activities. But after being well informed and made known to the Managua Police, they have been able to obtain their considerable attention and I have been able to leave the country without any further delay. I have, needless to say, worn out my welcome in Managua, as they are furious. I have to get away from them - I have to get away from my inability to arrive in Managua - I was so engaged on the way to the airport to make the flight to Managua.

One other matter involves the 1000 pesos - who has been detained, then what he should have been able to do. I have been detained by means of the intervention of the Managua Police on some presumptions regarding my activities. But after being well informed and made known to the Managua Police, they have been able to obtain their considerable attention and I have been able to leave the country without any further delay. I have, needless to say, worn out my welcome in Managua, as they are furious. I have to get away from them - I have to get away from my inability to arrive in Managua - I was so engaged on the way to the airport to make the flight to Managua.

Nevertheless, with the abrupt change in my plans and the delay in getting away from the Managua Police, I was not able to keep up with the 1000 pesos. I have been detained by means of the intervention of the Managua Police on some presumptions regarding my activities. But after being well informed and made known to the Managua Police, they have been able to obtain their considerable attention and I have been able to leave the country without any further delay. I have, needless to say, worn out my welcome in Managua, as they are furious. I have to get away from them - I have to get away from my inability to arrive in Managua - I was so engaged on the way to the airport to make the flight to Managua.

would be necessary to utilize the urgent relief and dissatisfaction in Costa Rica (for Panama) and to advise

The situation is not about how - but a movement internally. Perhaps through - and I am willing to provide the aircraft to lift Colonel Lopez and his men to a safe place on the east coast of Costa Rica. But utilizing his forces with good old Pan Am aircraft to provide relief and carry them back to the interior. I am also willing to furnish two additional aircraft. All the surplus airplanes to utilize in kind on the base at the Propitious Mountains. With the hope that the Colonel will have completed - I can simply say that the situation will be resolved within a maximum of six weeks from commencement of useful obligation.

I have the team necessary, but they are located in a too distant port. And I would need to see what my boat to land down in Costa Rica, and for such a small amount, it is not worth the expense in the time. Much less the risk. Therefore, if you can arrange clearance for one of my aircraft to land at Puerto Cabezas (ABC24), and also arrange to drop at Puerto Cabezas the following items - I will send a PBUSA to pick them up in successive trips and lift them to Colonel Lopez in Costa Rica.

100 - Rifles, Cal 3006 Spm. Piccolo or US M1 CARBINES Cal 30

100 M rounds; Ammo for above

10 50 AMMACHINE GUNS (US M3 45 CAL GREASE GUN) OR WHATEVER YOU HAVE

10 M rounds for same

2 50 CALIBRE MACHINE GUNS WITH TRIPON

10 M rounds Ammo HALF AP. HALF TRACER OR INCINER.

1000 Grenades

25 cases 60% dynamite + 1000 feet minute fuse - 500 # of caps. I have 50 more (MAGNETO TYPE)

It may be necessary to utilize either Puerto Cabezas or Bluefield as a base to carry the two medium companies. I am sure there are no suitable fields in eastern Costa Rica - The PBUSA is amphibious and will use the oceanfront to land supplies etc. The Colonel would like to have a light aircraft (Lockheed PV-1) and a C-46 in there. I recall Puerto Cabezas from the Venezuelan movement when I put my B-1's and C-46 in there. If you still have on hand the various items for that abortive attempt, I can utilize the explosive - dynamite - the fuses and plumbing items to make detonating charges. As I recall there was a large quantity left intact when I assembled the first group of bombs.

The inventory list above, minus the grenades, will be replaced out of my stock, so you will not actually go out any of the items, except the grenades, which I do not have. At the last punch word sent to Tegucigalpa. If you could arrange the situation as outlined I will appreciate a cable or a small letter advising in general terms the exact date which I could send, or fly myself, the PBUSA to Puerto Cabezas to pick up material. You need say no more than arrangements satisfactory from August 15th forward. Also if you could arrange to send your son Achiro to Puerto Cabezas to meet me, we could discuss your idea as to possibility of making the base in connection with the obligation base. They will have to come directly from the present base location to the obligation base. I will have the PBUSA bring the 'cargo' for the two PV-1's after their arrival. The PBUSA is available immediately upon receipt of your okay. And the other aircraft can be sent after I have put the Colonel and his men and supplies in the plane.

-3-  
This is not the most discreet method of bringing this to your attention but  
as I am unable to come to Menoque, I am the only means at hand

If you will desire to arrange things as outlined - I will appreciate a reply  
in duplicate to the address below - as I am at present, and will be,  
in my boat - cruising in the Gulf - however I am in contact by  
radio with one or other of the two addresses - and can arrange for  
the pilot to pick me up at sea - proceed to pick up the Colonel and then in  
Puerto Cabezas and the accomplishment of the desired end for figures.

With kindest regards
